COURSE

A mass start will begin on Park Avenue at the entrance of Park City's, City Park to the top of Guardsman Pass. The distance is approximately a 7-mile hill climb on single and double track trail, with a 2,700' elevation gain. From City Park we ride up Park Avenue turning left on Heber Ave then Right on Main Street and continue up Daly, by the water tank. Left at intersection uphill on Service Rd. (Ontario Bypass), turn right at next intersection and stay to the far right where the single track skirts the dirt pile, follow Ontario Bypass/Tour Des Suds signage to the Guard Rd. Cross the Guard Rd and continue on Ontario Bypass/Tour Des Suds to intersection with Mid Mt Trail. Turn right on Mid Mt and continue on it until you reach the Tour Des Suds intersection. Go left on Tour Des Suds and continue up to the service rd. Turn left on the service road and continue to the next intersection. Go left (short downhill) on service road until it runs into the Team Big Bear single track where you will veer right. Stay on Team Big Bear until the Flagstaff loop intersection. Take the left-most single track and follow it for about 0.7 mile. Then take a hard right onto the Road To Ruby for about 0.1 mile. Veer left left at the Y and follow the trail for half a mile until it spits you out on a street. Turn left(uphill) on the street and continue downhill, trending left in between boulders on the gravel road to the finish.
