This event is presented by Salomon Running, We are excited to announce a new course for 2017! The new race course begins at Silver Lake/Deer Valley, where it follows the iconic Mid Mountain Trail for nearly 20-miles, to it's terminus. There is one last uphill push before a long, winding descent down through the Utah Olympic Park trail system, with an epic finish at the base of the 120 meter, Olympic Nordic jump. The course rolls across the Wasatch Back, through aspen and evergreen forests, at an average elevation of 8,200' and is largely shaded single-track. The Mid Mountain Marathon embodies the essence of mountain trail running with intermittent technical sections, a few sustained climbs and fast downhill. Voted best trail marathon in Utah, the Mid Mountain Marathon is a true trail runner's marathon and is part of the Triple Trail Challenge.

For your safety, we have set up a "free ride home" location. If you are not at The Colony located at mile-16 by 11:00am you will be asked to head back to the finish via sporadic vehicle transportation. If you choose to continue against our recommendations, you do so at your own risk, and will be asked for your bib. There are 7 aid stations there a no restroom facilities at aid stations unless noted:

AS#1 – Mile 4.8 / Mileage to next aid station at Thaynes Canyon 3.7 miles
